# Creative, Sweet SESSIONS

## *Creative, Sweet interview...*

This month is **Creative, Sweet** month and we're taking the **opportunity to celebrate** all the **artistic awesomeness** we're into. Our final **Creative, Sweet session** was with **artist, Shawnee**.

Shawnee's works take us to a place we've never known, but feels oh so familiar. Her choice of **vibrant colours** and **vivid imagery** allow our **youthful minds** to piece together our **favourite memories** from a night out we never had but know so well. We sat down with **Shawnee** to hear about her journey as an artist and where she's heading in the future. Check it out **HERE**.
