**Hello lovers,**

Ditch the roses because we're here to save you from a sea of red satin everything, life-size teddy bears and tasteless heart-shaped chockies. It's **Valentine's Day** tomorrow and no matter what your status is, we've got you well and truly covered.

If you're **single and ready to mingle**, say hello to a romantic dinner that doesn't require anything more than you. Wrap yourself in the warm embrace of a juicy burger for Valentine's Day - guaranteed to cause overuse of the heart-eye/burger emoji combo without the side of potential heartbreak or expected reciprocal gift giving.

**Loved up?** Need a one-way ticket out of the dog box that will get you well on your way to the love shack? Take your Valentine to BurgerFuel for **delicious gourmet burgers**, creamy matching shakes or one shake, two straws if you're feeling extra cutesy, tables that lend themselves very well to handholding and Radio BurgerFuel for any awkward silent moments.

**STOP in the name of love** – we didn't overspend on roses for you this year - instead, we're saying "**I love you**" with this **sweet little deal**. Show this email in-store and we'll hook you up with a **FREE Thickshake** when you grab one for your mate, date **OR** just treat yo' self!

Catch you in store, lovers.
