International Burger Day**Happy International Burger Day, fam!**

Although we're a Chicken Shop by name, our **classic burgers** are crowd favourites and staples of the **Winner Winner menu**; and in honour of International Burger Day, we reckon that's worth celebrating.

Today only, we're treating you to some (double) burger goodness.

Buy any burger and grab a second, on us!*

Available **in-store** and **online**.

Online code: wwburgerday
or show this email at the till to redeem in-store.

To redeem **in-store**, simply show a copy of this email (either printed or digital) to the team at the counter. If redeeming **online**, add both your burgers to your cart and enter code **wwburgerday** at the checkout.

Enjoy!
The team at Winner Winner

P.S. Just a friendly heads up that your local store may have to turn off online ordering in order to manage flow and ensure the best customer experience. If this happens, please check back later to place an online order, otherwise, head in-store to redeem your celebratory burger!
